FLEXTUB Security unique features

Easy handling & high hygiene
The FLEXTUB Security have a turned-out edge for easier grip when handling manually, and an anti-microbial inside for higher hygiene.

Easy separation
The built-in stops make the tubs easy to separate after having been stacked.

Maximum security
The FLEXTUB Security is suitable for X-RAY in order to give maximum opportunities for security check. Anti-slip for better grip at the X-RAY machine belt.
